

March Newsletter

Upcoming dates for your
diary & news from the
Nursery!

Happy March! We're excited to kick off this month with a burst of energy and joy at CMC Nursery. As we dive into March, we have a whirlwind of activities lined up, celebrating some of the most special occasions of the season.

From Easter egg hunts to heartwarming Mother's Day crafts, festive Red Nose Day activities, and cheerful St. Patrick's Day celebrations, there's so much to look forward to! These occasions provide wonderful opportunities for our children to learn, create, and spread kindness, all while having a blast.

We can't wait to witness the joy and excitement on your children's faces as they engage in these festive activities. Your presence and participation make these moments even more memorable, and we're grateful to have you as part of our CMC Nursery family.

Focus for the Month:

Here's what each room will be focusing on throughout the month of March:
